CATTLE CLUB'S FIELD DAY, 20TH

The monthly meeting of the Saanich Jersey Cattle Club was held Monday, last week, at Brackenbush, the home of A. W. Aylard, and a full attendance of members and others had the pleasure of being addressed by Major Macdonald on his method of feeding his dairy cattle.

The Major began with an account of the bulls and cows used in building up his very efficient herd from the beginning to the present time and then outlined the feeding method which he has evolved which is satisfactory to the cows, judging by the milk pail, and to himself, as to cost.

Briefly the feeding consists of clover hay, oat, pea, wheat and vetch silage, and oat and vetch pasture on two patches used alternately, supplemented with a mixture of home-grown peas, 15 lbs., and oats, 70 lbs., with bran, 100 lbs., as necessary, and on this diet production is heavy and maintained. In concluding the Major also added that much credit was due to the great care taken of the cows by Pete Wadhams, who replied to the effect that the cows had the necessary good quality for securing good results.

The club's local field day will take place on Sunday, May 20th.

The next monthly meeting will be held on Monday, June 11th, at the home of W. D. Mitchell, Telegraph Road.

KENNEDY WINS AT CHECKERS IN SIDNEY CLUB

H. E. Kennedy, who won the championship of the Sidney Checker Club last year, has repeated again this year in winning the club's annual tournament on the McIntyre checkerboard. Mr. Kennedy had keen competition to face this year and he only nosed out a victory by a very small margin. Mr. Hall led for a considerable time until Mr. Kennedy took three in a row to put him out of the running.

Mr. Kennedy now meets the "boy wonder," little Charlie Sanbury, who last year won the junior championship of North Saanich and this year jumped into the senior competition of the North Saanich Service Club and cleaned up in the finals by defeating his own father, a veteran player on this board. Just when Mr. Kennedy will meet young Sanbury is not definite at present owing to the latter being in Jubilee Hospital for treatment to injured muscles through being too energetic in sports. All Charlie's friends wish him a speedy recovery. It is anticipated that the game will take place in about a week's time. The winner will then meet the champion of B.C., H. L. ("Les") Ricketts.

TRADE BOARD MET AT COVE

At the monthly meeting of the North Saanich Board of Trade held at Deep Cove last Tuesday two new members were elected to the board, Messrs. Cruikshank and Chappel.

A committee was appointed to consider the farm assessments in the district and another to study the conservation of sporting fishing.

President Hollands reported that following the card party held recently in aid of the funds of the North Saanich Service Club the sum of \$40 has been raised to devote to this purpose.

A resolution was discussed and finally passed with reference to the ruling of the Industrial Relations Board in the matter of wages for cannery employees, reading as follows:

"Whereas the British Columbia Board of Industrial Relations has set the minimum wage for women in fruit and vegetable canning plants at 27c per hour for eight hours, with 10c per hour over eight hours up to 12 hours per day, and

"Whereas competition from eastern Canada where the minimum wage is much lower than here is making it possible for the canners there to not only take away the prairie markets from British Columbia but can and do ship to British Columbia canned fruits and vegetables to the value of over \$500,000 a year, most of which can be grown in the province, and

"Whereas the higher cost of packing is creating a great hardship on the growers of this province who have to accept reduced prices for their produce,

"Whereas it is impractical to employ two shifts in country places owing to scarcity of available women, also to bring them from the larger centres owing to the uncertainty of supply, that is to say, owing to the uncertainty of the ripening of fruit, there will only be about five to six hours work one day and 10 to 12 on another, and neither the growers nor the canners know when this condition is going to occur;

"Therefore be it resolved that this board request cancellation of the ruling affecting the overtime rate in the interest of the whole industry."

BIG PIONEER BANQUET AND DANCE, FRIDAY

One of the most looked-for events of the season—the Saanich Pioneer banquet and dance—will take place this Friday evening in the Agricultural Hall, Saanichton.

Commencing at 7 o'clock the usual bountiful spread, looked after by the ladies of the organization, will be enjoyed, followed by the program, then dancing, when both the old and new steps will make up the program.

Several special speakers and delightful musical numbers will feature the program, while dancing to real poppy music and steps that will please both old and young will top off the evening's events.

DANCE NETS LARGE SUM

Over 200 participants gathered in Stacey's Hall on Friday evening to take part in the "Lucky Ladies" Softball Club dance, which proved one of the most gay and popular dances held for some time. Len Acre's timely players supplied the music and the entire evening was voted one of the most successful yet.

Two features of the evening's program were a tap dance by Miss Lois Spooner of Victoria and an accordion duet by two boys from Victoria.

LARGE CROWD ATTEND FINAL MEN'S SUPPER

The last of the present series of Men's Supper Meetings maintained the high standard that has marked this season.

M. B. Jackson, K.C., the guest speaker Wednesday evening lived up to his reputation as a speaker and student of social and economic questions.

In his interesting address he traced the development and progress through history of man up to the present industrial age.

The question today was not of production but distributing, in a world of plenty there should be no need of privation or starvation.

Man, who is able to tell us the weight of stars and planets, the speed which light travels, the distance to the sun or moon, who has practically annihilated space by telephone and wireless, can fly through the air, travel under water, should have no great difficulty in solving this problem.

He made a passionate appeal for the maintenance of those privileges, liberty and freedom, which are the common inheritance of the Anglo-Saxon race, against Fascism and Nazism.

In the conclusion of his very able address he quoted many of the leading economists and bankers of outstanding world renown, amongst many others Sir William Beveridge, Reginald McKenna, Carlyle, Ruskin, and their views on interest, credit, tariff, etc.

Alex. McDonald, M.L.A., moved the vote of thanks, which was carried with applause.

W. Douglas moved the vote of thanks to the ladies, for all their kind interest and attention during the season and requested that a message of kindly sympathy be conveyed to one who was absent through sickness.

Mr. Hollins, of Oak Bay, contributed several numbers of music and recitation which was greatly appreciated.

The chairman, Rev. T. Keyworth, announced the average attendance of 53 was the highest for the four years.

The re-election of the committee of direction brought to a close the evening with the singing of "Old Lang Syne."

Mr. E. J. Stephen left last Thursday for Vancouver.

Mr. E. Crossingham spent a few days at the home of Mr. and Mrs. Stephens during his illness.

Miss Pearl Simmons was the guest of the Misses Grace and Florence Casselman for a few days before leaving for her home in Vancouver.

MANY VISITORS TO REST HAVEN

Many visitors from homes in Sidney and outlying parts of the Saanich Peninsula took advantage of the beautiful sunny weather to inspect the Rest Haven Hospital on Monday. Nurses stationed as guides led the visitors through the various departments of the institution and explained the use of modern equipment considered indispensable to the successful treatment of disease.

Exceedingly attractive and lovely displays of flowers decorated the spacious hall and lounge, the gift of Mrs. B. Deacon, Marine Drive. One of these was a large basket designed, richly adorned with varied floral blooms of purple violets, orange marigolds, iris germanica, guilder rose, and cerestium. A large table in the entrance hall to the lounge profusely adorned with iris columbine, thyme, lilac and lemon marigold delighted the eye of the visitor.

"MORTALS AND IMMORTALS" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, May 20th.

The Golden Text is: "As we have borne the image of the earthly, we shall also bear the image of the heavenly" (1 Corinthians 15: 49).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Blessed is the man that trusteth in the Lord, and whose hope the Lord is" (Jeremiah 17: 7).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The real man is spiritual and immortal, but the mortal and imperfect so-called 'children of men' are counterfeits from the beginning, to the last aside for the pure reality" (p. 409).

The Fuddlings are too hard to find

"Let's have the Fuddlings over this evening," said Mrs. Clipper to her husband. "You always liked Fred, and Cora is such a dear."

Mr. Clipper picked up the telephone directory and proceeded to look for the name Fuddling. But his search was in vain, the Fuddlings weren't listed.

"Say, Edna," he said, "they haven't a telephone. Let's ask the Smiths instead. The Fuddlings are too hard to find."

So the Fuddlings missed another invitation—just because they had no telephone.

LARGE CROWD SEES CONCERT

A packed house greeted the performance put on by the Young People's Society on Monday evening, when they presented a full evening of varied entertainment much to the pleasure of the large audience.

The play, "The Day Before The Wedding," the feature number of the program, was followed with keen interest as the troubles caused by the unintentional exchange of the travelling bags of the bridesmaid and the groom were slowly unravelled. Players taking part were Mary McIntosh, Ivy Hill, Winnie Thornley, Fred Waters, Fred Daley and Gordon Pratt.

Comedy from beginning to end was the skit, "The Train to Mauro," in which Mrs. Buttermilk and her son Johnny arrive at the station to take the train "tomorrow" (as the agent thought). Screams of laughter followed the play throughout. Irene Long (Mrs. Buttermilk), Melbourne Keyworth (the terrible child) and Cyril Waters (the station agent) made up the cast.

A large variety of musical numbers were also included in the program. Those taking part were: Vocal solos, Miss Josephine Charlebois, C. Toomer and W. J. Gush; male quartette, W. J. Gush, A. Gush, C. Toomer and Rev. T. Keyworth; duet, Mrs. E. R. Hall and W. J. Gush; violin solos, Miss Grace Barry, and S. Thorne on the cello, accompanied by Mrs. Thorne, Miss Kathleen Lowe made a very efficient accompanist for the evening.

At the close of the program handsome bouquets and buttonholes were presented to all those taking part.

Sidney Social Club

The regular weekly military 500 of the Sidney Social Club was held in the Guide and Scout Hall on May 8th, the winners being Mrs. McCorquodale and Messrs. J. Storey, G. Neeves and H. Eatock. High bid was won by G. Neeves.

The club decided to donate a silver cup to the Sidney and North Saanich War Memorial Park for aggregate points for girls under 14 to be competed for at the annual 24th of May sports. Also three dozen cups and saucers for the use of the refreshment booth at the park.

It was also decided to call off the weekly card party until September next.

PENDER

By Review Representative

The Port Washington Tennis Club sponsored a well-attended whist drive and dance on Friday week. There were 10 tables in play and a jolly social spirit prevailed. Winners were Mrs. R. Wight (Victoria), J. B. Bridge and J. T. Joulie (tie) consolation, Miss Evaline Hamilton, Geo. Logan and Mr. Lewis (tie). Mrs. N. N. Grimmer won the "lucky chair" prize. Refreshments were served and dancing followed.

Another lively evening was spent by the younger set on Friday evening of last week when a novelty dance was put on by the Athletic Association in aid of funds for the May 24th celebrations. Novelties included a "spot dance," which was won by Mrs. L. Auchterlonie, and a "statue dance," the winners being Mrs. Don Dobie and "Red" Howard. The hall at Hope Bay was beautifully decorated for the occasion with flowers, evergreens and crepe paper streamers, and a delicious supper was served at midnight. Music was provided by the local orchestra and Mr. Motherwell.

Miss Edith Bowerman is home from Victoria for a couple of weeks' holiday with her parents, Mr. and Mrs. Walton Bowerman, Hope Bay.

Ken Jolliffe, who has spent the past two-and-a-half years on the island, is leaving this week for his home in Cranbrook. During his stay here Ken has been active in young people's work, and he will be greatly missed by his many friends here.

Mrs. George Nelson, and little son, Teddy, are over from Gangos for a visit with her mother, Mrs. J. A. Brickett, Browning Harbour.

Major Guy Royer returned last week to his home at Otter Bay after an extended trip to Montreal and other eastern points.

Rev. W. J. Fuller, of Toronto, formerly of the Shantymen's Mission on this coast, paid a brief visit to Mr. and Mrs. V. Menzies last week.

FUNDS TO SEND CHAMPIONS TO VANCOUVER

The second annual dance of the Victoria Junior Softball League will be held at the Shrine Hall on Thursday, June 7th. Dancing will be from 9 p.m. to 1 a.m. to Victoria's premier orchestra, Reg. Wood and his Pied Pipers.

Dance fantasia promises to be even a greater success than last year's popular dance, owing to the interest being displayed in the Vancouver Island Waltz Contest, a new attraction, for which the beautiful Poodle Dog Cafe Trophy will be at stake.

Additional attractions will be the spot dance with a \$10 prize and a novelty dance, also with a \$10 prize. Artists of the Orpheum Circuit, appearing at the Empire Theatre that week are expected to attend, and will probably furnish some excellent entertainment.

Couples intending to enter the Vancouver Island Waltz Contest, from this district, are asked to send their entries to H. B. Wilfen, No. 6, Maynard's Bungalow Court, Hillside Avenue, Victoria, B.C., not later than May 30th. There is no entrance fee required to enter the contest and only amateurs are eligible. Names of both parties are necessary when sending entries.

ATHLETIC NEWS OF THE WEEK

League play will continue this week with both local teams on action on Thursday—

North Saanich vs. Bruins at North Saanich.

Lucky Lindies vs. Spencers in Victoria.

GIRLS' PLAY

The North Saanich Red Sox have entered the Ladies' Softball League in Victoria and will play their first game on Friday against the Live Wires at the Lower Central Park, Victoria.

The Red Sox gained a victory at the expense of the Sidney Bluebirds on Friday by a score of 32-19. The same teams will play again tonight (Wednesday) at the Memorial Park.
